

Dear Client,

Exceeda is Excited About 2010!

The "Lean Team" at Exceeda Consulting is very excited and energized as we move into 2010! We have a number of exciting plans for the new year. First, we have expanded our capabilities to include lean experts in Human Resources, Information Technology, and Accounting. By expanding our team, we have the knowledge and experience to deliver a total Lean implementation to your organization! We are also proud to announce that we are now the premier sponsor of the "Lean Nation" radio show broadcasting weekdays from 4:00p to 5:00p on Talk and Business Radio AM790 in Providence and streaming live over the internet at [790business](http://790business.com).

Meet Our Lean Team

Exceeda employs a team of professional lean consultants with broad industry and area expertise. With knowledge covering all functional areas from shop floor to senior management, our team is uniquely aligned with a focus of bringing your company on a successful lean journey.

Tom Pesaturo

Tom has over 20 years of lean operations experience in Fortune 500, small to large, multi-site, domestic and international companies. He has had wide-ranging experience across all levels of operational responsibility in the United States, Europe and Central America. Today, Tom enjoys the hands-on and direct engagement with customers to truly appreciate the rewards of lean. [More...](#)

Jeff Swoyer

Jeff is a human resource executive that has directed the human resources function as a strategic partner in five world class global companies. He has leveraged talent management strategies to significantly improve business performance. He enjoys managing the cultural shift that is critical to success in lean deployments and is highly skilled in change management, organizational design, dispute resolutions, employee relations, training and leadership standardized work. Today's Quote

"The Pessimist complains about the wind. The Optimist expects it to change. The Leader adjusts the sails."

-- John Maxwell

People-Process-Technology

At Exceeda Consulting, Inc., we believe people raise the bar by continually improving processes, technology supports it so that people can raise it again. We are professional and experienced business consultants specializing in business process improvement using lean, six-sigma and theory of constraints methodologies. We invite you to discover how Exceeda Consulting can help you realize your company's greatest potential.

Sensei with over 20 years of lean experience. He became an expert in lean after several years of intense personal coaching and working directly with Toyota sensei's in Toyota Motors Kamigo (Japan) and Toyota Motors SBC Brazil where he worked for many years. Carlos is experienced in implementing major change initiatives with a proven track record in widely diverse environments. [More...](#)

Diane Pesaturo

Diane is a Management and Information Technology professional with over 20 years of experience in the technology field. Diane has lead and supported technology project implementations at companies in diverse industries. These projects have focused on matching the best technology solutions to the needs of the business, ultimately supporting the overall strategy of the company. Diane's strength lies in her ability to blend lean methodology to application technology by defining and streamlining workflow that leads to improved bottom-line results. [More...](#)

Karl Kern

Karl is a lean accounting and finance specialist who has used his expertise in financial accounting, financial management, and management accounting for approximately 25 years. He has also used lean thinking as a consultant and educator. Karl's expertise as a lean accounting and finance specialist has established his reputation as an effective problem solver who has created and implemented measures that have increased revenue, decreased expenses, and improved efficiency within various public and private companies. How We Can Help

We look forward to working with your organization during the coming year to bring lasting, sustainable change and improved bottom line results by implementing lean methods in your organization. We invite you to discover how Exceeda Consulting can help you realize your company's greatest potential. Contact us today at 508-557-1803 or by email at info@exceeda.net.

In closing, we would like to wish everyone a healthy, happy and prosperous New Year!

Special Announcement

If you are a RI company, there is now grant money available for lean training. The Governor's Workforce Board has announced its training grants for 2010. An individual company is eligible for up to \$50,000.00 in matching funds for training that improves your competitiveness. If you are interested in learning more you can go to the RI Workforce Board website at [RI Governor's Workforce Board](#) or contact us at Exceeda. We are happy to assist you in writing your grant application.
