Dear Client,

Exceeda is thrilled to be a part of Eastec 2013! Eastec is the largest annual manufacturing event on the east coast. The theme of this year's show is "human ingenuity. manufacturing brilliance". This year's event is the largest it has been in the last five years, a good indication that Northeast manufacturing is strong and growing! Eastec is a three day event providing opportunities for networking, knowledge sharing and education.

EASTEC is the perfect opportunity to share our Lean knowledge and expertise with companies in the manufacturing sector that can benefit from Lean tools and techniques. Knowledgeable staff will be on-hand throughout the show at booth #3055 in building 3. We look forward to seeing you there!
